OBJECTIVE

Passionate computer science student with solid programming and problem-solving skills. Passionate about learning new technologies and designing user-focused applications. Seeking opportunities to contribute to collaborative projects while growing as a developer.

EDUCATION

Bachelor of Technology - Pragati Engineering College	2022 - 2026
Computer Science Engineering - Data Science CGPA - 8.01	
Intermediate - Sri Chaitanya Junior College	2020 - 2022
MPC - Percentage - 70.4%	

TECHNICAL SKILLS

Programming Languages: Python, Java, Data Structures & Algorithms **DataBases:** MySQL, MongoDB
Web Development: HTML, CSS, JavaScript **Developer Tools:** Git, Github, VSCode
Frameworks/Libraries: Numpy, Pandas, Tkinter, Matplotlib, Django

INTERNSHIPS

Data Analytics Virtual Job Simulation | Deloitte Virtual Internship **July 2025**

- Completed a virtual internship simulating real-world data analytics tasks at Deloitte.
- Gained hands-on experience in data cleaning, visualization, and business insights presentation.

Web Full Stack Developer | AICTE **July - Sep 2024**

- Learned frontend and backend technologies, including HTML, CSS, JavaScript, React, Node.js, Express, and MySQL/MongoDB. Implemented concepts through projects, focusing on responsive design, API integration, and database management.

PROJECTS

HealthCARE | Hospital Management Project ([Code](#))

- Built using Django with features for appointment booking, patient record management, and prescription storage.

FOOD DELIVERY WEBSITE | Restaurant Management Project ([Live Demo](#))

- Created a frontend prototype focusing on user experience using HTML, CSS, and basic JavaScript.

Portfolio Website | Frontend Project ([Live Demo](#))

Developed a responsive personal portfolio site using HTML, CSS, JavaScript, and Django to showcase academic and technical works.

CERTIFICATIONS

- Google** Cloud Certification (**L4G**)
- CCNA | **Cisco Network Academy**
- AI Associate | **Salesforce**
- Python Programming | **Infosys**
- Data Processing and Visualization | **Accenture**

STRENGTHS

- Problem Solving, Adaptability
- Quick Learner, Team Management

ACHIEVEMENTS

- Solved 500+ problems on LeetCode**
 - Achieved 5 Star Python badge on HackerRank**
- NPTEL Certifications:**
- Programming in Java
 - Joy of Computing Using Python (**Elite**)
- Certified System Administrator by Servicenow**

LANGUAGES KNOWN
